

# Inside the SOAR Virtual Classroom

How to find your course in the SOAR Virtual Classroom.

The screenshot shows the SOAR Virtual Classroom dashboard for Florida Career College. The interface includes a top navigation bar with a menu icon, search, notifications, and user profile. A left sidebar contains 'Dashboard' and 'Site home'. The main content area features several widgets: 'Learning plans', 'Course overview' (with filters for 'In progress', 'Course name', and 'Card'), 'Private files', 'Timeline' (with a scroll indicator), and 'Online users'. A callout points to the 'Site home' link in the sidebar. Another callout points to the 'Menu' icon in the top left. A third callout points to the 'Site home' link in the top right. A fourth callout points to the 'Timeline' widget, indicating where to scroll to find a course. A fifth callout points to the 'Course overview' widget, specifically to a course card showing '02/24/2021 Start', 'MT1010\_MGT\_1\_0900\_MTWTF--\_40\_PierreN\_210224', and '100% complete'. A sixth callout points to the 'Online users' widget, which shows '178 online users (last 5 minutes)'. A seventh callout points to the 'Site home' link in the top right. A eighth callout points to the 'Course overview' widget, specifically to the course card.

- Click on the Menu
- Click on Site Home
- Scroll down to find your course number for your current module. Courses may be displayed in a box or as a list.
- Click into your course
